September 6, 1927

Mr. Benjamin di Iorio,  
933 Rutger St.,  
Utica, N. Y.

Dear Sir:

Your letter to the Association was sent to the address of the Society and opened inadvertently. I am sending your letter and stamps on to Mr. F. G. Duffield, 4215 Fernhill Ave., Baltimore, Md., editor of the "Numismatist", the publication of the Association.

I am herewith enclosing a membership card for the Society together with a little prospectus. The dues, you will note, are \$5.00 a year. I am also enclosing a membership blank for the Association. I will be glad to propose you to either or both of these organizations.

Very truly yours,

Curator
